

# **Gas Rate – Code 3N                      Medium General Service – Special Project**

**Department of Public Utilities - Orangeburg, South Carolina**

## **Applicable:**

To any non-domestic and/or commercial or industrial customer having requirements of less than 4,000 therms per month served from a Special Project. A Special Project is a system expansion project specifically designated as a Special Project by Resolution of City Council and each Special Project will be treated as a separate and distinct Special Project.

## **Term:**

This rate shall apply to all bills dated from the commencement date of the Special Project from which the customer is served until expiration date of the Special Project. The commencement date of the Special Project will be the date the first customer connects to the Special Project. The expiration date of the Special Project will occur one month after the cumulative net revenues from the Special Project exceed the initial project cost or the payback period initially established for the Special Project, whichever is less. After the expiration date of the Special Project, customers served from that Special Project under this rate will then be served under Gas Rate 3B.

## **Monthly Rate:**

Customer will pay monthly for service based on separately applied charges for System Gas Supply, Distribution, Customer Service, Weather Normalization, and Distribution Integrity Management Plan Rider components.

## **Supply Charge:**

Customer will pay a monthly charge for system gas supply based on total deliveries to Customer.

## **Distribution Charge:**

Current Code 3B Distribution Charge  
PLUS  
\$0.375 per therm delivered Distribution Surcharge

## **Service Charge:**

Current Code 3B Service Charge  
PLUS  
\$8.00 per meter per month Service Surcharge

## **Weather Normalization Charge:**

A Weather Normalization Charge will be assessed during the months of October through April to adjust for fluctuations in consumption due to colder or warmer than normal weather.

## **Distribution Integrity Management Plan Charge:**

A Distribution Integrity Management Plan (“DIMP”) Charge will be assessed on each therm delivered based on eligible DIMP costs incurred by the Department.

**Note: “General Terms and Conditions” in effect apply to above.**

**Effective: October 1, 2014**
