South Carolina Infrastructure Investment Program (SCIIP) Requirements

The project is being funded (in part) by a grant loan from the South Carolina Infrastructure Investment Program (SCIIP) and therefore bidders must comply with all applicable State and Federal requirements identified in the contract documents.

1. A requirement of this project is that prospective bidders should take all necessary, reasonable, and affirmative steps to ensure that Disadvantaged Business Enterprise (DBE) firms as defined in state and federal law, have a maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part, with funds provided by SCIIP/RIA. DBE "good faith" efforts are outlined in the Paragraph A. 5 General Procurement Section of the SCIIP Grant Project Management Procedures. Bidders must make positive efforts to use small and minority owned businesses.
2. Contractors must provide their Unique Entity Identifier (UEI) and maintain an active registration with System for Award management (SAM) (www.sam.gov) throughout the project / contract period.
3. Contractors must certify that they are not prohibited from doing business with the Federal government. Debarment status can be checked on the System for Award Management (SAM) website at www.sam.gov.

4. Contractors shall make maximum use of products containing recovered materials that are EPA-designated items, unless the product cannot:
 - Be acquired competitively within a timeframe providing for compliance with the project performance schedule;
 - Meet project performance requirements; or,
 - Be acquired at a reasonable price.
5. Information about this requirement, along with the list of EPA-designated items, is available on the EPA website. Contractors also must agree to comply with other applicable requirements of Section 6002 of the Solid Waste Disposal Act.
6. Bidders must comply with Title VI of the Civil Rights Act of 1964, the Davis-Bacon Act, the Anti-Kickback Act, the Contract Work Hours and Safety Standards Act, and 40 CFR 33.240.

Any prospective bidder, offeror, contractor or subcontractor who is aggrieved in connection with the solicitation of this contract may protest to Engineer (or) Owner in accordance with Section 11-35-4210 of the SC Code of Laws, within 15 days of the date of issuance of the Notice of Intent to Award.

No bid will be considered unless the bidder is legally qualified under the provisions of the South Carolina Contractor's Licensing Law (South Carolina Code of Laws as amended on April 1, 1999, Chapter 11, Sections 40-11-10 through 40-11-428).

Contractors shall have a classification of WL.

No bidder may withdraw the bid within 90 days after the actual date of the opening and thereof.

These bid documents will be modified only by written addenda.

The Owner reserves the right to waive any informalities or to reject any or all bids.
